Bond Scooter, Believed P200 or 300? ,1960 Have original reg number, not on DVLA, cant find VIN number but bought bike complete. Mike at Bond Club is very helpful. I bought it 10 years ago for £2,000 stripped it, painted frame, all panels stripped and painted to a very high standard as these are fibreglass. Cost over £1,200 All panels present and correct. Original engine rebuilt by Villers for £790 inc gearbox, never run New whitewall tyres, wheels done Bad news - after closing workshop we have lost some parts; Seat, handle bars, levers, stand, gear change rod, front shocks. Most are generic and common to lots of scooters from the 50's and 60's so are easy to replicate So grab a bargain, owes me £5,000+.... £2,995 for this super rare Bond scooter We can arrange delivery
