£8,995

Engine: 1.6i PETROL
Body: 2-door
Gearbox: Manual
Colour:
Mileage: 16,000

Trojan Cars
245-247
Francis Avenue
Southsea
Hampshire,

A really delightful 1933 Austin 7 with a believed low mileage of 16000. Lots of MOT's and service history to back this up. Starts - drives - nice body - good interior. The drivers seat is a little frayed on the edge as expected and one wheel arch is a little marked but its 'on the button' and ready to show. Part Exchange Welcome. UK Delivery Arranged.
